

Great things happen when residents use **Recycle Often. Recycle Right.™** program. By recycling everyday items like those shown below, raw materials, time, energy and money are saved. Plus the recycled materials become new products – if you recycle an aluminum can today, it could be back on the shelf as a new one in 60 days – and the cycle continues.

- Recycling will be collected every other week. Place only the acceptable recyclables shown below together in your recycling cart or bin – no sorting needed.
- Containers that held food should be rinsed free of food debris and liquid.
- *Do not bag your recyclables – empty recycling directly into your bin or cart.

Acceptable materials for curbside recycling include:

Always recycle:

Plastic Bottles, Jars & Jugs

Food & Beverage Cans

Paper

Flattened Cardboard & Paperboard

Do NOT include in your mixed recycling cart:

NO Food Waste
(Compost instead!)

NO Plastic Bags & Film
(Find a recycling site at plasticfilmrecycling.org)

NO Foam Cups & Containers
(Check Earth911.org for options.)

NO Bagged Recyclables

NO Needles
(Keep medical waste out of recycling. Place in safe disposal containers like Waste Management's MedWaste Tracker® box.)
