### Plowing Restrictions

Township residents are reminded that it is unlawful to plow or shovel snow onto or across public streets and roadways. Piles of snow left on or near a road can freeze into a solid mass, creating a hazardous situation for vehicles or snowplows. Accidents and /or damages caused by snow piles placed in the roadway may result in liability to the property owner. Please do not park on Township streets or roads during winter storms so the salt and plow trucks can clear the areas more effectively. Any vehicle left parked or standing in violation of this section may deemed a hazard and towed at the owners expense. Said vehicle may be removed to and stored in the designated impounding facility. Said vehicle may not be released to the owner or operator until all costs of removing, towing, and storage of the vehicle shall first be paid to the impound facility.

**October 31, 2018 is designated as Trick or Treat from 6:00 P.M. to 8:00 P.M.**
