A paper survey can also be requested.

Deadline to complete the survey is ...

What is a Comprehensive Parks, Recreation, and Open Space Plan?

The plan will be a powerful tool that will provide direction to enhance the quality of the township's recreational opportunities, park facilities, open space, and trails. This plan will help local leaders make decisions about park use and development, programs, budgeting, and capital improvement priorities for years to come.

For more information or to become involved in the project visit <https://www.northstrabaneparks.com/>
